

INDOOR

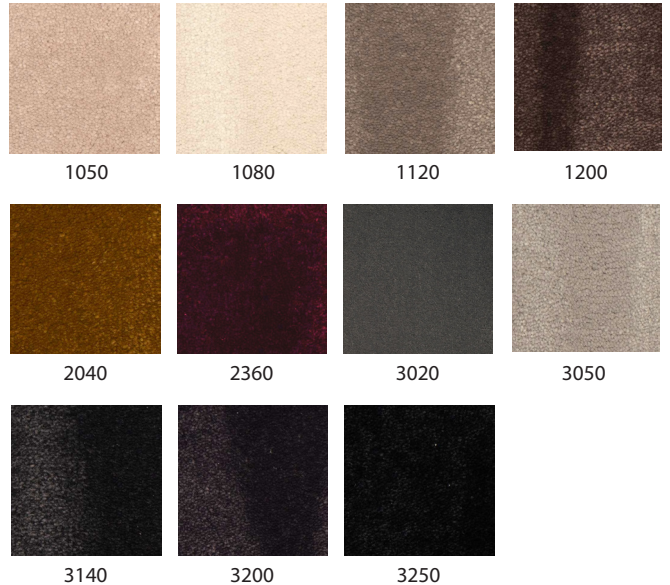

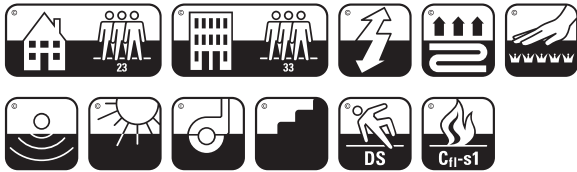

LOS ANGELES

A tufted carpet made of high-quality polyamide that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, and living rooms, as well as in commercial areas with moderate use. Los Angeles is manufactured to resemble a viscose or silk rug, which gives the rug a multitude of shades when in use.

Los Angeles is available in eleven different colors. The thickness is approximately 14 mm, and the maximum width is 500 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC®.
