

INDOOR

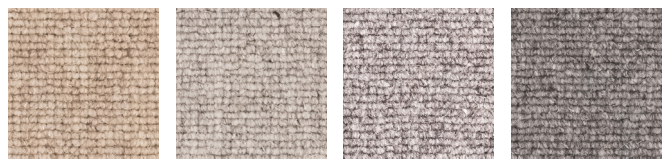

BEITO

A tufted carpet made of high-quality wool that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets and living rooms, as well as in commercial areas with heavy use. Beito is one of our most priceworthy wool qualities and, thanks to its mélangé yarn, provides a pleasant and cozy feeling. Like all wool rugs, it is relatively easy to clean.

Beito is available in five colors. The thickness is approximately 9 mm, and the maximum width is 500 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC®, MULTILOC, or RETROLOC, alternatively with one of our borders in suede imitation, leather, linen, or cotton.
