

INDOOR

VERONA

A tufted carpet made of high-quality polyamide that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, and living rooms, as well as in commercial areas with heavy use. Verona resembles a silk rug, which creates numerous shimmering effects when used, and natural light from windows sometimes makes the rug's appearance almost magically beautiful.

Verona is available in eight different colors. The thickness is approximately 10 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet or as a custommade rug edged with INVISILOC®, alternatively with one of our bindings in suede imitation, leather, linen, or cotton.

Pile fibre	Polyamide
Product definition	Tufted
