

INDOOR

BARCELONA

A woven carpet of high-quality sisal with an elegant, exclusive expression suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, and living rooms. Barcelona is one of our chunkiest sisal qualities and is woven in a herringbone pattern, giving a very sober and beautiful expression.

Barcelona is available in one color. The thickness is approximately 9 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC®, alternatively with one of our bindings in linen, or cotton.
