

INDOOR

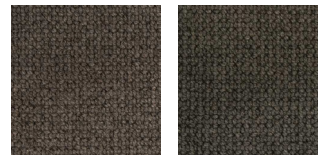

HEMSEDAL

A tufted carpet made of high-quality New Zealand wool and exclusive yak hair that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, and living rooms, as well as in commercial areas with general use. It is produced in a unique design and, thanks to the inclusion of yak hair, is softer than a regular wool carpet.

Hemsedal is available in two colors. The thickness is approximately 14 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet (it cannot be seamed) or as a custom-made rug edged with INVISILOC®.
