

INDOOR

ZARAGOZA

A woven carpet made of high-quality wool and viscose that is elegant, durable, and suitable for indoor use in bedrooms, walk-in closets, and living rooms. Zaragoza has a fantastic luster, and the combination of wool and viscose gives the rug an exclusive expression. A rug with parts of viscose requires a dry environment as viscose easily deteriorates upon contact with liquids.

Zaragoza is available in one color. The thickness is approximately 5 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet (it cannot be seamed) or as a custom-made rug edged with RETROLOC.
