INDOOR

TROMSÖ

A tufted carpet made of high-quality wool from New Zealand and exclusive yak hair that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, living rooms, as well as in commercial areas with general use. Tromsö has a classic design and, thanks to the yak hair, is softer than a regular wool carpet.

Tromsö is available in four colors. The thickness is approximately 11 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC®, alternatively with one of our borders in suede imitation, linen, or cotton.
