

INDOOR

GEILO

A woven carpet made of high-quality New Zealand wool that is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets and living rooms, as well as in commercial areas with general use. Geilo is one of our heavier wool qualities and is woven in a way that gives the rug a subtly checkered appearance. Like all wool rugs, it is relatively easy to clean.

Geilo is available in three natural colors. The thickness is approximately 10 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC® or MULTILOC, alternatively with one of our bindings in suede imitation, leather, linen, or cotton.

Pile fibre	Wool
Product definition	Woven
Backing	Action back
Roll width	400 cm
Total thickness	9 mm
Total weight	3 350 g/m ²
