

INDOOR

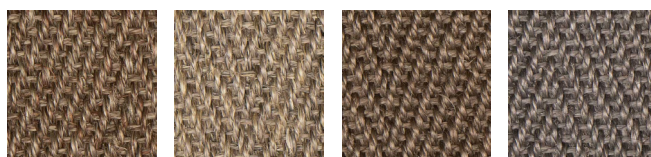

WELLINGTON

A woven carpet made of high-quality sisal that has a beautiful luster. It is elegant, durable, and suitable for indoor use on floors with or without underfloor heating in entrances, hallways, kitchens, dining rooms, home offices, bedrooms, walk-in closets, living rooms, and dining rooms, as well as in commercial areas with general use. Wellington is woven in a herringbone pattern, giving the rug a subtly striped impression.

Wellington is available in seven different colors, some of which are solid colors and the rest are mélange. The thickness is approximately 8 mm, and the maximum width is 400 cm. It is delivered either as a wall-to-wall carpet or as a custom-made rug edged with INVISILOC®, alternatively with one of our bindings in suede imitation, leather, linen, or cotton.
